To whom it may concern:

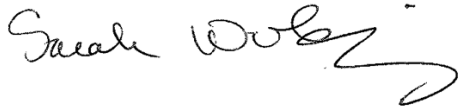

Arnau Gifreu is a Research Affiliate with the Open Documentary Lab (ODL) at MIT in Cambridge, Massachusetts. His role here has included the following:

- Providing content for both our ODL and Docubase websites
- Providing input on possible structures and categories for our Docubase website
- Curating content for both our ODL Research Forum and Docubase websites

Professor Gifreu has been an invaluable member of the MIT OpenDocLab community and we greatly appreciate his contribution.

Please let me know if you have any questions.

Sincerely,

Director, MIT Open Documentary Lab
