### TO WHOM IT MAY CONCERN

Herewith we confirm that

**Arnau Gifreu Castells**  
**Associate Lecturer**  
**Escola Universitària ERAM - Girona**  
**C. St. Antoni, 1 - 17190 Salt**  
**Spain**

coordinated two out of 13 student groups of the European Youth Award Student Group Online Project. The aim of this project is to virtually connect students from all over Europe interested in new developments in the ICT sector.

In small groups they have to analyse and further develop the innovative digital projects produced by the winners of the European Youth Award competition. The best group is selected through an Expert Jury made up by lecturers from different universities.

Arnau Gifreu Castells' Student Group working on "Aprendices Visuales" won this competition.

#### **About EYA**

*The European Youth Award (EYA) is a pan-European contest to motivate young people to produce socially-valuable digital projects that address the goals defined by the Council of Europe and Europe 2020. It selects and promotes Europe's best practice in social e-content.*

*EYA is organized by the International Center for New Media, a Non-Profit Organization based in Salzburg, Austria.*

With best regards,
